

F. AUGUSTUS HEINZE. THOMAS W. LAWSON.

PRINCIPALS IN THE MONTANA MINING CONTROVERSY.

F. Augustus Heinze, the young man who began mining operations in Butte about a decade ago and is now worth between \$10,000,000 and \$20,000,000, is engaged in a war of correspondence with Thomas W. Lawson, of Boston, a large Amalgamated Copper company stockholder, who won notoriety as the purchaser of the Lawson \$10,000 pink and as the builder of the Independence, designed to defend the America's cup. Heinze offers to arbitrate the trouble whereby the subsidiary companies of the Amalgamated are shut down. Lawson says his company is willing, too, but so far they have not succeeded in "getting together."

PALESTINE LETTER.

Special Correspondence.

PALESTINE, TEXAS, Nov. 18. Editors Herald:

We will write you a few lines from here, as we have been here several days. We are well at present; all have had bad colds, but they are gone. We are having lovely weather now.

We spent Sunday at Snake Creek. Mrs. Greenrock has been staying with her sister, Mrs. W. A. Millican, since her husband has been at Mart, where he was sent by the I. & G. N. R. R. Co. Her baby has been quite sick for several days, but is better at present.

J. F. Pennington has been right sick for some time.

Several of Mr. Ross' family have been sick for quite a while.

Mr. Vaughan's family have all been sick with bad colds.

Mr. Millican has sold his farm to R. O. Burk and bought a farm from Mr. Bensley in Beaver Valley, where he will move soon. He is making the change on account of school conditions.

We were glad to meet a number of the Beaver Valley people in town yesterday, among them being Walter Simmons, Buck Brook, John Ferguson and Mr. Calhoun.

We were pleased with Mr. P. P. Funderburk's letter last week. There is a good lesson in it if we farmers would only heed what he has said. We would profit by so doing. Let us farmers try and be of interest to each other. We should try to help one another.

We have very little to write this week, so we will close by asking all of the correspondents to write to the grand old Herald, as we enjoy the letters very much. Good-bye, GREENIE.

CARDUI BABIES

Many homes are mere lonely abodes because no children are there. Barrenness exists in almost every case because female diseases have paralyzed the organs of womanhood.

Wine of Cardui imparts health and strength to the diseased parts and makes motherhood possible in thousands of cases where barrenness is supposed to be incurable. Wine of Cardui regulates the menstrual flow and also prevents miscarriage and cures bearing down pains. Wine of Cardui removes the cause of barrenness by making the female organism strong and healthy.

Go to your druggist and secure a \$1.00 bottle of Wine of Cardui. The use of Wine of Cardui will bring happiness to your home.

In cases requiring special directions, address, giving symptoms, "The Ladies' Advisory Department," The Chattanooga Medicine Co., Chattanooga, Tennessee.

AMETHYST, COLO., Feb. 24, 1902.

Wine of Cardui is worth its weight in gold. It does more than you claim. It has saved my life and caused me to become a mother when everything else failed. MRS. DORA I. E. LEFEVRE.

BRYANT, VA., Feb. 18, 1902.

My daughter-in-law, Lizzie Giles, found great benefit in Wine of Cardui. She had a miscarriage in March 1901, before using your medicine. She was in very bad health, so I persuaded her to try Wine of Cardui. Since then she has had a fine baby boy. Soon he will be three weeks old. She highly recommends Wine of Cardui.

My daughter, Fannie Hudson, also has a fine baby boy by your treatment. She highly appreciates Wine of Cardui. MRS. LOUISA GILES.
